

April 3, 2020

To Our Valued Distributors,

We value our relationship with our business partners. We will continue to work together through these challenging times. Thank you for your understanding.

As you know, COVID-19 is having a large effect on the daily life of everyone around the world. KAR is continually monitoring each and every new development in order to ensure that we are doing everything necessary to ensure the health and safety of our employees and our customers.

On April 3, Ontario updated their list of businesses that are considered essential and based on this, KAR is still deemed essential. KAR will remain open in each of its 3 locations, until further notice, meeting the product and service needs of our customers.

In an effort to keep our staff safe, KAR now has 80% of its employees servicing our customers from home offices.

We still have essential warehouse staff who are working in a controlled environment to protect their health and safety.

Please give us a call or send us an email should you wish to place an order, ask a question and/or provide feedback.

Be safe and be well.

A handwritten signature in black ink that reads "Ward T. Meek".
