To Our Valued Distributors,

COVID-19 continues to effect the daily life of everyone around the world. KAR is continually monitoring each new development in order to ensure that we are doing everything necessary to ensure the health and safety of our employees and our customers.

KAR is open for business in each of its 3 locations across Canada, meeting the product and service needs of our customers.

In an effort to keep our customers and staff safe, we screen all people for temperature, maintain social distancing and/or require masks when that is not possible.

Please give us a call or send us an email should you wish to place an order, ask a question and/or provide feedback.

Be safe and be well.
