To KAR's Valued Distributors,

COVID-19 continues to effect the daily lives of everyone around the world. KAR is continually monitoring each new development in order to ensure that we are doing everything necessary to ensure the health and safety of our employees and our customers.

KAR is open for business in each of its 3 locations across Canada, meeting the product and service needs of our customers.

Effective immediately, in order to gain access to any of our facilities you must first make an appointment or call the telephone number posted on the exterior doors at KAR locations.

We continue to screen all people for temperature, maintain social distancing and require masks to be worn while indoors.

Please give us a call or send us an email should wish to place an order, ask a question and/or provide feedback.

Be safe and be well.
